Do this by making a sales page for the new book, but don't embody a price on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum worth is.

Finally, when you've written a e-book that solves a drawback or presents a brand new approach, your book will usher in both traffic and profits.
