to price. Do that by making a gross sales page for the new ebook, however do not embody a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the same on each page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, when you've written a guide that solves a downside or presents a brand new method, your ebook will usher in both traffic and profits.
