Begin on the highest price the market will bear to bring in the largest profits, and plan to discount the e-book a number of times throughout the year.

Do that by creating a sales web page for the new e-book, but don't include a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

each web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum price is.
