Do that by making a gross sales web page for the new book, however do not include a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Ensure that your gross sales copy is precisely the same on

every web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum worth is.

In the end, in the event you've written a e-book that solves a problem or presents a brand new method, your ebook will bring in both traffic and profits.
