Another technique is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Make certain your sales copy is exactly the identical on

each web page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum price is.

Finally, for those who've written a ebook that solves a drawback or presents a brand new technique, your ebook will bring in both visitors and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your e book solves and what the advantages of your 1300 book shall be to the purchasers who purchase it.
