An efficient technique for figuring out a price is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new ebook, however do not embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Ensure that your sales copy is precisely the identical on every web page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, in case you've written a book that solves a downside or presents a brand new technique, your guide will usher in both traffic and profits.
