page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Ensure your gross sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum worth is.

In the end, if you happen to've written a e book that solves a problem or presents a new method, your guide will bring in both visitors and profits.
