If these customers have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the brand new e-book, but don't embrace a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with different prices on every page. Make certain your gross sales copy is exactly the similar on every web page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.

In the end, if you've written a ebook that solves a downside or presents a new approach, your guide will usher in both site visitors and profits.
