An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the brand new guide, but don't embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Make sure that your gross sales copy is precisely the identical on every page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, for those who've written a e book that solves a problem or presents a brand new method, your guide will herald each visitors and profits.
