Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is exactly the same on every

page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum worth is.

In the end, in the event you've written a ebook that solves a downside or presents a new method, your ebook will bring in both visitors and profits.
