An efficient approach for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the new e-book, but do not embrace a value on that page. and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum price is.
