An efficient method for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new e-book, however don't include a value on that page. Be certain that your sales copy is exactly the same on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum worth is.

In the end, for those who've written a ebook that solves a downside or presents a brand new method, your e book will usher in both visitors and profits.
