As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with totally different prices on each page. Make sure that your gross sales copy is precisely the identical on

each web page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum value is.

In the end, in case you've written a e-book that solves a problem or presents a brand new technique, your ebook will herald both site visitors and profits.
