Decide in case your aim is to get broad distribution and maximum exposure. This objective is aimed at drawing prospects to your small business or service, or to establishing the credibility of your reputation. If that is your essential aim, you need to aim to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to draw a excessive number of new customers. In case your ebook solves an issue or answers questions in a new and distinctive means, you must worth your e book as excessive as you'll be able to go. You'll obtain larger earnings this fashion, however herald fewer customers. In case your ideas aren't common knowledge, or you might be presenting a brand new approach, you will be able to promote books at a excessive price. Just be prepared for your competitors to undercut you on value as soon as they hear about your book.

Take into account that the above pricing strategy is temporary. Ultimately, you will cease to sell books at this excessive price. So determine upfront how long you plan to offer your book at this high value, and when that point is up, change your pricing strategy.

If you want to see large income over customer draw, aim for an audience that is in search of straightforward solutions to their issues at a low price. In case your ebook is aimed at fixing one particular problem slightly than general advice, then you can charge more. Start at the highest price the market will bear to herald the largest income, and plan to discount the e-book a number of occasions all through the year.

Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Make certain your gross sales copy is precisely the identical on

every page, and includes your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

In the end, for those who've written a book that solves a problem or presents a brand new technique, your e book will bring in both traffic and profits.
