Do that by making a gross sales web page for the brand new e-book, however don't include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the same on

each web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

Finally, if you happen to've written a ebook that solves a problem or presents a brand new method, your book will bring in both visitors and profits.
