Do that by making a sales web page for the brand new book, but do not include a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Make sure that your gross sales copy is precisely the similar on each page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum worth is.

Finally, should you've written a guide that solves a drawback or presents a new technique, your ebook will bring in each site visitors and profits.
