Do that by making a sales web page for the brand new guide, however don't embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different costs on every page. Make sure that your gross sales copy is precisely the

identical on each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum price is.

In the end, if you've written a ebook that solves a drawback or presents a new method, your book will herald both traffic and profits.
