As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with completely different prices on each page. Be sure that your gross sales copy is exactly the same on every web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum price is.

Finally, when you've written a e book that solves a drawback or presents a new technique, your guide will usher in both traffic and profits.
