Do that by creating a gross sales web page for the new e book, however don't embody a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is precisely the same on each page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum price is.

Finally, in the event you've written a book that solves a downside or presents a new method, your guide will herald both site visitors and profits.
