Advertising and marketing Methods

The key that unlocks the gross sales potential of your ebook is to find a single sentence that becomes your selling handle. This sentence states what question or problem your book answers and the benefits your e-book can provide. Then you'll want to use that sentence in each piece of sales and

promotional materials, and each time anybody asks you about your ebook.

An efficient approach for determining a value is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new guide, but do not embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Make sure your sales copy is strictly the identical on every page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.
