An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do this by making a sales web page for the brand new guide, however don't include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with different prices on each page. Ensure your sales copy is precisely the identical on each web page,

and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, when you've written a e book that solves a drawback or presents a new technique, your guide will usher in both visitors and profits.
