Do that by creating a sales page for the new guide, however don't embody a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Be certain your sales copy is precisely the similar on each web page,

and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum price is.

Finally, for those who've written a ebook that solves a downside or presents a new method, your ebook will bring in each site visitors and profits.
