If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new e-book, but do not embrace a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with totally different prices on every page. Ensure your sales copy is exactly the same on each web page, and

contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.

In the end, in the event you've written a guide that solves a problem or presents a brand new method, your e book will usher in both visitors and profits.
