An efficient technique for figuring out a worth is to send out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new e book, however do not include a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with totally different costs on each page. Ensure that your gross sales copy is strictly the identical on every

web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum price is.

Ultimately, in case you've written a guide that solves a drawback or presents a brand new method, your ebook will bring in both site visitors and profits.
