Another strategy is to check out prices by creating a number of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is precisely the identical on

each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum price is.

Finally, when you've written a ebook that solves a problem or presents a new technique, your e-book will bring in each traffic and profits.
