As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is precisely the same on

each web page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

Finally, in case you've written a guide that solves a drawback or presents a brand new technique, your e book will bring in both site visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your e-book solves and what the advantages of your 2476 e book can be to the customers who buy it.
