An efficient approach for determining a price is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to

price. Do that by creating a gross sales page for the brand new ebook, but don't embrace a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Ensure your sales copy is exactly the identical on every page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.
