by creating a gross sales web page for the new guide, but don't embrace a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is exactly the identical on each page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum worth is.

In the end, if you happen to've written a guide that solves a problem or presents a brand new method, your ebook will bring in both visitors and profits.
