One other technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Make certain your sales copy is precisely the similar on every web page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum price is.

Finally, when you've written a e book that solves a downside or presents a brand new technique, your book will usher in both site visitors and profits.
