Do this by creating a gross sales web page for the brand new ebook, but do not embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different costs on every page. Make certain your sales copy is exactly the similar on every page,

and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a brand new technique, your ebook will usher in each visitors and profits. So be sure to write that selling-handle sentence that sums up what drawback your book solves and what the benefits of your 305 guide will be to the shoppers who buy it.
