As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with different costs on each page. Be sure your gross sales copy is exactly the identical on each page, and

includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum price is.

Ultimately, if you've written a ebook that solves a downside or presents a new approach, your ebook will herald each site visitors and profits.
