Do that by making a gross sales web page for the brand new e book, but do not include a worth on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on each page. Ensure that your sales copy is strictly the same on each web page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum worth is.
