Do this by making a gross sales web page for the brand new e-book, however do not embrace a price on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is strictly the same on every

page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum value is.

Ultimately, for those who've written a guide that solves a drawback or presents a brand new approach, your ebook will bring in both traffic and profits.
