Begin on the highest value the market will bear to bring in the largest profits, and plan to discount the ebook a variety of instances all through the year.

Do this by creating a sales web page for the brand new e book, but do not embrace a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on every page. Make certain your sales copy is strictly the same on each page, and

contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Ultimately, for those who've written a e book that solves a problem or presents a brand new technique, your guide will bring in both visitors and profits.
