that page. As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on each page. Make sure that your sales copy is precisely the identical on every web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum worth is.

Finally, in the event you've written a guide that solves a downside or presents a new technique, your guide will bring in each site visitors and profits.
