price. Do this by creating a sales page for the new ebook, however do not include a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with completely different prices on each page. Be certain your gross sales copy is precisely the same on every web page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Finally, when you've written a book that solves a drawback or presents a brand new method, your book will herald both traffic and profits. So remember to write that selling-deal with sentence that sums up what drawback your guide solves and what the benefits of your 499 ebook will be to the purchasers who buy it.
