An efficient method for determining a worth is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new book, but do not embrace a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Make sure that your sales copy is precisely the similar on

each page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum price is.

In the end, if you've written a e-book that solves a downside or presents a brand new method, your guide will bring in each traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your guide solves and what the advantages of your 52 book can be to the customers who buy it.
