Do that by creating a gross sales web page for the brand new ebook, but don't embrace a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your gross sales copy is precisely the similar on every page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum worth is.

Finally, when you've written a guide that solves a problem or presents a brand new method, your e-book will bring in each site visitors and profits.
