Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is strictly the similar on each page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.

In the end, for those who've written a guide that solves a problem or presents a new approach, your book will usher in both traffic and profits.
