An effective method for determining a price is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new e-book, but do not embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on every page. Be certain your gross sales copy is precisely the similar

on each web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum worth is.

In the end, in the event you've written a e-book that solves a drawback or presents a brand new technique, your e-book will bring in each visitors and profits.
