As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with different prices on each page. Ensure that your gross sales copy is strictly the same on every page,

and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a brand new method, your guide will usher in each site visitors and profits.
