An efficient approach for determining a value is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do

that by making a sales page for the brand new guide, but do not embody a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with totally different prices on each page. Make sure that your gross sales copy is exactly the same on every web page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum value is.

Finally, for those who've written a guide that solves a downside or presents a brand new method, your e-book will bring in each visitors and profits. So be sure you write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your 681 guide shall be to the customers who purchase it.
