Then remember to use that sentence in each piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Moreover selling your books assiduously on-line, there are several different methods that can help you promote more books.

Do this by making a sales page for the new guide, but do not include a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with completely different costs on each page. Be certain your sales copy is exactly the same on each

page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum price is.
