Another technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Make certain your gross sales copy is exactly the similar on each web page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum value is.

Ultimately, if you happen to've written a guide that solves a downside or presents a brand new method, your e book will bring in each visitors and profits.
