An effective approach for determining a value is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new e-book, but don't embody a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Be sure your gross sales copy is precisely the identical on each page, and

contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

Ultimately, should you've written a e book that solves a downside or presents a brand new approach, your ebook will bring in both traffic and profits. So you should definitely write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 699 guide can be to the purchasers who buy it.
