Do that by making a sales web page for the new guide, but do not embody a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Ensure your sales copy is precisely the same on every web page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

Finally, for those who've written a ebook that solves a drawback or presents a new method, your

guide will herald both traffic and profits. So make sure you write that selling-deal with sentence that sums up what problem your e book solves and what the advantages of your 738 guide will be to the purchasers who purchase it. And then watch your market come to you!
