One other technique is to test out costs by creating a variety of duplicate sales pages with different prices on every page. Make sure that your gross sales copy is precisely the same on every

page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum worth is.

Finally, in the event you've written a e-book that solves a problem or presents a brand new technique, your ebook will usher in both visitors and profits.
