Do that by making a sales page for the new guide, but do not embrace a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with different prices on each page. Make sure that your sales copy is precisely the similar on each web

page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a brand new approach, your ebook will herald each traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your ebook solves and what the advantages of your 84 e-book will be to the shoppers who purchase it.
