One other technique is to test out costs by making a number of duplicate gross sales pages with totally different prices on each page. Be certain your gross sales copy is precisely the similar on each page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.

Finally, in the event you've written a ebook that solves a drawback or presents a new method, your e-book will bring in each traffic and profits.
