Do that by making a gross sales web page for the new ebook, however don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Be certain your gross sales copy is exactly the similar on

each web page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum price is.

In the end, if you've written a e-book that solves a drawback or presents a brand new approach, your e-book will bring in both traffic and profits.
